How to Propose a New Rotary Member.

Every Rotarian has the privilege and obligation of seeking qualified potential members. In this way, all club members help our club to achieve a full representation of the business and professional life of the community.

Please follow these steps to propose a new member.

- (1) The prospective member's name is submitted in writing using the Membership Proposal Form by an active member (Sponsor), through the club Secretary, to the Bradley Sunrise Rotary Board of Directors.
- (2) The Board will ensure the person is fully qualified and will approve or disapprove of the proposal within fourteen days.
- (3) If approved by the Board and upon completion of the Statement from Proposed Member Form, the prospective member's name is then published by the Club in its weekly newsletter. If no written objections stating reasons for denial of membership are received within seven days following the publication of the name, and upon payment of the current quarter prorated dues, the proposed member is now ready for induction as a new Rotarian. Induction will occur if the new member is available at the next meeting following the seven day review period.
- (4) If a written objection is filed, the board will vote to approve or disapprove the written objection within fourteen days.

The club Secretary sends a completed New Member Report form to Rotary International and enters their name in DACdb following the member's induction.

About Bradley Sunrise Rotary

How do I become a member of Bradley Sunrise Rotary (BSR)?

BSR membership is by invitation only. You must be a person of integrity, have an active career vocation, or be retired from a career.

What is the process of becoming a member?

A current member of BSR proposes your name and becomes your “sponsor” for membership. Your sponsor then completes an application and proposes your name to the BSR Board of Directors who reviews your application for acceptance.

Once your application has been approved, the BSR Board will propose your membership to club members. The name of the proposed member is published two consecutive weeks in the weekly newsletter, during which time any member has seven days to notify the board, in writing, of a specific objection. If there are none, the club Secretary will notify the sponsor to invite the proposed new members to the next meeting for induction. This usually takes about two to three weeks from board review to club review and approval. Plan to attend meetings during this process.

After the club approves your membership, you will be inducted in a brief ceremony. During the ceremony, you will be asked to share with the club a brief biography (usually no more than two minutes) about yourself and why you chose BSR. You may invite your immediate family or co-workers to attend your induction.

What does it cost to join BSR?

You'll find BSR membership dues are lower than most Rotary clubs... currently \$100 per quarter. Members are also encouraged to contribute \$25 to the International Rotary Foundation and \$12.50 to Polio eradication efforts. These items will be included in your quarterly invoice, which will total \$137.50.

Bradley Sunrise Rotary is a 100% Paul Harris Club. A Paul Harris Fellowship is achieved with every \$1,000 donation to the Rotary Foundation. With an average of \$25 per quarter, a Rotarian becomes a Paul Harris Fellow in 10 years. Of course, this can happen much sooner

if you choose to contribute more or become a member of the Paul Harris Society.

Where does my money go?

Quarterly dues are used to cover the Rotary International and District 6780 membership fees which make it important to keep your dues payments current. A small amount is retained in the local BSR account for budgeted club expenses. Your membership includes a subscription to The Rotarian magazine.

Once I join BSR, must I attend all the meetings?

Members are encouraged and expected to attend the club's regular meetings, engage in its service projects and participate in other events and activities. A member must attend or make up at least 50 percent of club's regular meetings (member must attend at least one meeting a month), or engage in club projects, events and activities for each half of the Rotary year.

Attendance at our weekly 7:00 am Thursday morning meetings is encouraged and rewarding. Meetings are held at the Olive Branch Event Center, located near I-75, Exit 25, at 109 Interstate Dr NW, Cleveland, TN 37312. Complimentary coffee is available.

You should attend at least 50% of your local club meetings, either in-person or via Zoom. You can “make-up” missed meetings two weeks prior to an absence or within two weeks after an absence. It's easy to attend a “make-up” meeting in less than 35 minutes using online access to Rotary International. Make-up meetings can also be achieved by attending BSR social events and service projects, or attending any chartered Rotary Club meeting in cities around the globe.

What goes on during meetings?

A typical meeting consists of the Pledge of Allegiance, an opening prayer, club business, and

a fun “ice breaker” (and maybe even a song)! This is followed by a featured speaker who presents information often associated with a local enterprise or unique civic project, a newsmaker, a charity, a local official, medical or science updates and other topics of interest. Meetings promptly adjourn at 8:00 a.m. with the reciting of the Four Way Test.

What service projects does BSR participate in?

Our main fundraising project is called the Sunrise Sunset Gala. Revenue raised at this event is used to fund local and global agencies approved by the Sunrise Rotary Foundation Board and the club. All members are asked to participate in the Gala and join the fun of making a difference.

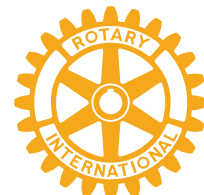

Agencies supported include:

- Habitat of Humanity of Cleveland
- Bradley Sunrise Angel Flight
- International projects
- And many others.
